SWARC FUND RAISER

The South Wake ARC sponsored a fund raiser raffle for a Yaesu FT-60R dual band hand held transceiver. The prize drawing was held at our December club meeting and the winner was Justin Holder — KB7CSW. Congradulations Justin !!

MINUTES OF THE DECEMBER MEETING

Since the December meeting was a Christmas social and no regular club business was conducted, there were no meeting minutes taken. The next regular club meeting will be on January 4, 2010.

T - SHIRTS

I have arranged to have T-Shirts screen printed with a large club logo on the back and a small logo on the left front. These come in either yellow with blue logo or blue with yellow logo. I have sizes large through 2 extra large and 4 extra large available. We are asking \$15 a piece as this a club fund raiser. Please support the club and let me know if you are interested in getting one to wear to club functions as well as ham fests.

MESSAGE REGARDING THIS NEWS LETTER

This issue of the news letter, will be the last that I will be publishing. Since I am working again, I will no longer have the time to devote to the news letter and I am looking for someone to take over the reigns. In the mean time, I have arranged for Ryan to place the meeting minutes along with any public service information on the web site.

I have enjoyed being able to present what I thought were interesting tidbits of information via this medium and I hope you have found them to be of some use.

Jim W4VCF

Public Service Through Amateur Radio

South Wake ARC's primary purpose is to further the Amateur Radio Service through programs, activities, and education, in order to promote the radio knowledge, fraternalism and individual operating efficiency of our members. Further, it shall be our purpose to support the welfare of our community through public service including radio communications for emergency situations and public events, and through providing information, training, and assistance to individuals or organizations with an interest in the Amateur Radio Service.
